Nationality Albanian

Date of birth 08 May 1964

Gender Female

Work experience

Dates 2020-2006 - present

Occupation or position held Researcher Worker and Head of the Monitoring and Storage of seeds in Institute of Plant Genetic Resources (Agriculture University of Tirana).
Researcher for Leguminose Plants.

Main activities and responsibilities Research on Plant Genetic Resources, Monitoring and Storage of Plant genetic Resources, Researcher for Leguminose Plants;

Work History/and Professional activities) Expert and member of collecting missions of medicinal and aromatic plants organized by genebank. Teaching Biology and Plant Production in the first level diploma (bachelor) and in the second level diploma (Master) in Faculty of Agriculture and Environment /AUT

Name and address of employer Agricultural University of Tirana

Type of business or sector Public Academic Sector

Dates 2006-1997

The specialist in the National Seed Institut in Genebank.

Name and address of employer Ministry of Agriculture and Food, Tirana, Albania.

Type of business or sector Research Sector.

Dates 1997-1989

Occupation or position held The chief in the sector of projection in the Green Enterprice

Main activities and responsibilities Organization and managing of projects of environments.

Name and address of employer Ministry of Construction and Communal Services, Tirana, Albania.

Type of business or sector	Public Sector.
Dates	1989-1987
Occupation or position held	The specialist in the Vegetable and Patatoes Institut, Tirane.
Main activities and responsibilities	The specialist in the Vegetable
Name and address of employer	Ministry of Agriculture and Food.
Type of business or sector	Research Sector.

Education and Training

Dates	June 2012
Title of qualification awarded	PhD qualification in (Doctor) in the field: "Agricentrale and Envirionment", "Agonomic Science" AUT
Principal subjects/occupational skills covered	Agronomist
Name and type of organisation providing education and training	High Qualification State Committee. Ministry of Education. Republic of Albania
Level in national/ or international classification	Maximum award granted in sciences in the Republic of Albania
Title of qualification awarded	Diploma for advanced studies.
Dates	2008
Title of qualification awarded	Master in "Agronomic Science" in the University of Agriculture in Tirana.
Principal subjects/occupational skills covered	Study of Monitoring, Assessment and Regeneration of vital characteristic forage plant accessions (grass peas and pissum) that stored in gene bank
Name and type of organisation providing education and training	High Qualification State Committee. Ministry of Education. Republic of Albania
Level in national or international classification	Maximum award granted in sciences in the Republic of Albania
Title of qualification awarded	Diploma for advanced studies.
Dates	1986-1982
Principal subjects/occupational skills covered	Agronomist
Name and type of organisation providing education and training	University of Agriculture of Tirana, Albania Faculty of Agriculture
Level in national or international classification	Main level of instruction in the Republic of Albanian. The only one University in the mentioned field.
Title of qualification awarded	Diploma for advanced studies.

qualification awarded

Dates 1982-1986

Principal subjects/occupational skills covered General middle school “Ismail Qemali”

Complementary Professional Training

15 May -14 July Trajning about the Investigations on *Fusarium Head Blight* resistance of Durum Wheat originating from Albania in Austria financed by both countries.TULLN,VIENNA,AUSTRI
7-9 Maj 2009 Trajning about the policy of management and the used of genetic resources plant in Albania financed by FAO and Agricuiltre and Food Ministry.
23-25 February 2009 Trajning about menagement of Genebank from trainers of Nordgen bank from Seed-net project.
3-5 September 2008 Trajning about documentation of Gjenetic Resource from Seed-net project
16-22 January 2005 Working visit in the Genetic Section of Biology and Chemistry, Agro-Forest and Environment department in the University of Bari, Italy
18-23 October 2004 Working visit in the Production Plant Institut in Prage and Ollomuc in Ceki for conservation of genetic resourses, management, documentation of cultivate and wild species especially of medicinal plant.
17-28 Novemberr 2003 Trajning for preparation and preservation of germplasm in our genebank, and lab electrophoresis in Experimental of Cereales Institut in Sant’ Angelo Lodigiano,Milano Itali.
4-23 November 2002 Trajning for seeds in collaboration with the project of “Agriculture Service” in the Agriculture University,Tirane.
1995: Training qualification on “*Training for Income Generation in Productive Rural Activities*”, Turin, ITALY.
1990-1991: Post University Specialization on *Tobacco Genetic Resources*; Perugia, ITALY.
1982-1983: Post University Specialization on *Intensive Forage Crop Production*; Agricultural University of Tirana.

Member of Scientific Committee, Professional Bodies and Conferences

Projects and monitoring experience

2015-2016 Participant in the National Project between the Albanian and Austria
2014-2012 Participant in the FAO/TCP/ALB 3401 project for medicinal plant
2011-2006 Participant in the SEED-net project for plant genetic resource
2007-2001 Participant in the project: “Agriculture Service” seed component and for drafting for medicinal plant.

Contribution in University level programs

Leading postgraduate thesis: **Master thesis: 3.**
