Dates

November 1997- August 2003

Chief of Scientific Section in Tobacco Institute of Cerrik - Elbasan (Albania)
Researcher Worker in Tobacco Station / Tobacco Institute of Cerrik - Elbasan (Albania).
Organization and managing of tobacco breeding programs and field experimentation studies on tobacco

	varieties, and elite tobacco seed production.
Name and address of employer	Ministry of Agriculture and Food, Tirana, Albania.
Type of business or sector	Research Sector.
Dates	June 1992- November 1997
Occupation or position held	Director of Tobacco Institute of Cerrik - Elbasan (Albania).
Main activities and responsibilities	Organization and managing of tobacco breeding programs and Tobacco Institute activities. Scientific researches on Oriental tobacco plant and the tobacco elite seed components.
Name and address of employer	Ministry of Agriculture and Food, Tirana, Albania.
Type of business or sector	Research Sector.
Dates	January 1989-June 1992
Occupation or position held	‘Scientific Collaborator’ in Tobacco Institute of Cerrik – Elbasan (Albania).
Main activities and responsibilities	Scientific researches on Oriental tobacco plant and the tobacco elite seed components
Name and address of employer	Ministry of Agriculture and Food.
Type of business or sector	Research Sector.
Dates	July 1984-December 1989
Occupation or position held	‘Sector Responsible’ in Agricultural Cooperative Lekaj, Durres (Albania).
Main activities and responsibilities	Organization and managing of agricultural sector activities.
Name and address of employer	Agricultural Cooperative Lekaj, Ministry of Agriculture, Republic of Albania
Type of business or sector	Civil servant and applicative research
Occupation or position held	‘Sector Responsible’ in Agricultural Cooperative Lekaj, Durres (Albania).
Dates	September 1980-July 1984
Occupation or position held	Agronomist in Agricultural Cooperative Lekaj, Durres (Albania).
Main activities and responsibilities	Organization of productive agricultural sector activities. Applicative researches and studies on principal crops (cereals, maize, cotton, sunflower and vegetables).
Name and address of employer	Agricultural Cooperative Lekaj, Ministry of Agriculture, Republic of Albania
Type of business or sector	Agriculture specialist and applicative research
Education and training	
Dates	June 2003
Title of qualification awarded	‘Professor Assoc.’ (Diploma No. 480, Base Register number 4914).
Principal subjects/occupational skills covered	Agronomist
Name and type of organisation providing	High Qualification State Committee. Ministry of Education. Republic of Albania

education and training	
Level in national/ or international classification	Maximum award granted in sciences in the Republic of Albania
Title of qualification awarded	Diploma for advanced studies.
Dates	August 1996
Title of qualification awarded	'DOCTOR of SCIENCE'' (PhD) (Diploma No. 50, Register No. 43).
Principal subjects/occupational skills covered	Study of General and Specific Combining Abilities in Oriental Tobacco by Diallel Analysis
Name and type of organisation providing education and training	High Qualification State Committee. Ministry of Education. Republic of Albania
Level in national or international classification	Maximum award granted in sciences in the Republic of Albania
Title of qualification awarded	Diploma for advanced studies.
Dates	September 1976 – June 1981
Principal subjects/occupational skills covered	Agronomist (Diploma No. 3378 + Aneks).
Name and type of organisation providing education and training	University of Agriculture of Tirana, Albania Faculty of Agriculture
Level in national or international classification	Main level of instruction in the Republic of Albanian. The only one University in the mentioned field.
